

Summer Project Report

Name: Aditya Kumar Jha

Overview

- 1) Studied signal and system
- 2) Studied animatronics
- 3) Worked on CAD modeling
- 4) Started App Development (Flutter)
- 5) Started learning about Digital integrated electronics
- 6) Worked on TinkerCAD
- 7) Worked on Arduino Programming

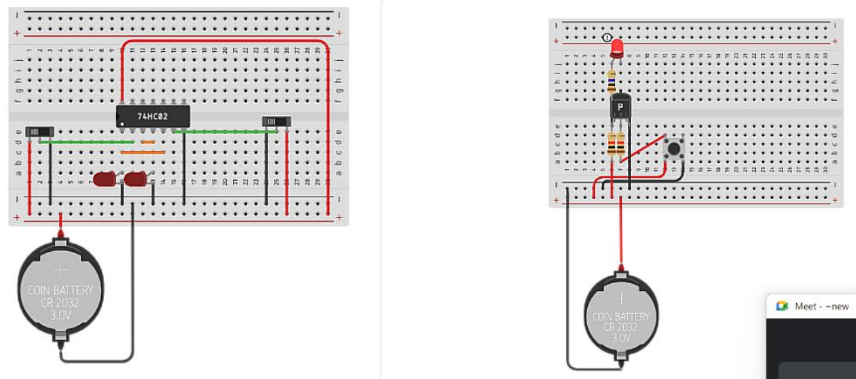

Fusion360 (CAD modeling):

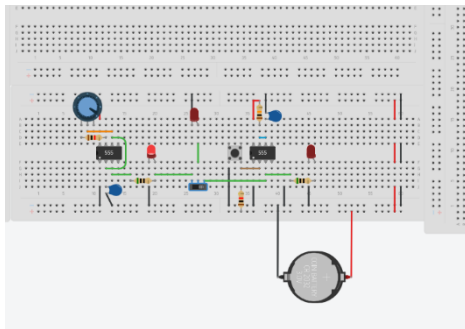

TinkerCAD:

SR latch

inverter

Clock Module for 8-bit programmable computer

Flutter App dev:
